The NSW Office of the Children's Guardian is proud to introduce Sam, Andy, Fiona and Eve. This is an interactive workshop that will assist participants in developing skills

in delivering a protective behaviours program

The SAFE book Series is a free resource that will be made available only to organisations attending this workshop

Participants will learn about:

- learning outcomes which link to the child safe personal safety messages
- practical hints, tips and tools to make the personal safety messages resonate with children
- points of discussion for engaging children
- ready-made activities for children to complete and better understand how the content of the books relates to them.

This workshop is supported by Community Industry Group and Illawarra Area Child Care.
