Bega - SAFE series workshop

The NSW Office of the Children's Guardian is proud to introduce Sam, Andy, Fiona and Eve. They're the stars of the SAFE series, a set of four books containing protective behaviour messages aimed at children 2-6 years old.

This is an interactive workshop that will assist participants in developing skills in delivering a protective behaviours program

The SAFE book Series is a free resource that will be made available

only to organisations attending this workshop

Participants will learn about:

- learning outcomes which link to the child safe personal safety messages
- practical hints, tips and tools to make the personal safety messages resonate with children
- points of discussion for engaging children
- ready-made activities for children to complete and better understand how the content of the books relates to them.

This workshop is supported by Inspired Family day Care Bega Valley NSW.
