

It's the law that tutors or coaches who work with your children must have a **Working With Children Check**.

Tutors must have a current WWCC

Parents must verify the WWCC online

Parents check the Check

Parents engaging tutors for their children should be asking the tutor to provide a Working With Children Check application or clearance number - then verifying that number online.

Verifying a clearance online is quick and easy, and ensures that a Working With Children Check clearance is current.
