SAFESpace eLearning

Child Safe training has been highlighted by the Royal Commission into Institutional Responses to Child Sexual Abuse as having a highly important role to play in keeping kids in institutions safe from abuse and neglect.

To complement our SAFESpace face-to-face training, the NSW Office of the Children's Guardian has launched a suite SAFESpace eLearning packages.

Topics covered include

- Policies and procedures
- Organisational culture
- Risk management
- Reporting allegations
- Recruitment processes
- The Working With Children Check

The project has been developed with the input of Professor Stephen Smallbone of Griffith University, an expert in understanding and preventing sexual violence and abuse.
