

## SAFEspace – child safe training for the disability sector

The Office of the Children's Guardian has developed Child Safe training specifically for providers of services to children with a disability. The sessions are free for people working or volunteering in child-related organisations in NSW. The sessions will provide you with skills and resources to help you establish more effective methods to manage risk and focus on creating safe environments for children and young people living with disability.

### Topics covered

- Creating a child safe culture
- Situational prevention and effective risk management
- Recruitment and selection tips
- Obligations under the Working With Children Check
- Complaints management techniques
