Webinars and face-to-face training

COVID-19 update: Due to current health and safety concerns around COVID-19, we have suspended our face-to-face training program for the next few months. Webinars are now available and are open for registration.

Training video – reportable conduct and other changes

We have produced a
training video for you to
learn about the
NSW Reportable

An error occurred.

Conduct Scheme and other changes under the *Children's Guardian Act 2019*, that came into force on 1 March 2020.

Webinars and information sessions

We offer free child safe training sessions for people working or volunteering in child-related organisations in NSW. The sessions will provide you with the skills and resources to help you establish more effective ways to manage risk and focus on creating safe environments for children and young people.

You can watch recordings of our webinars on our YouTube channel [here](#).

Topics include meeting your obligations under the Working With Children Check and implementing the Child Safe Standards. Our workshops and webinars are free but registration is essential.

To host your own session, please complete our [training request form](#). You can also consider attending one of the public sessions listed below. Please select your preferred session to reserve your place now.
